

OSBORNE REFRIGERATORS

Osborne Refrigerators Ltd have been established at our West Sussex base for more than 40 years and we are the leading British manufacturer of refrigerators designed for the chilling and storage of wine and cold beverages. As well as our professional range of cabinets, which are specified by leading breweries, drinks manufacturers and leisure companies across the world, we also produce a range of high quality cabinets designed specifically for domestic use.

Our refrigerators use ozone friendly R134a or hydrocarbon refrigerant and CFC free polystyrene insulation and can be efficiently recycled at the end of their life.

The Osborne range is always evolving, due to our commitment to constantly improve our products and also in response to specific customer requirements. We have built an enviable reputation for the quality and reliability of our refrigerators and we will never stop working to maintain that reputation.

Details

Models OD450 and OD600 are upright open-fronted display cabinets, ideal for impulse sales in licenced trade or retail environments. Designed primarily for the display of bottled beverages, they are also suitable for foodstuffs. They are manufactured from rust resistant zinc-coated steel with a hard wearing powder-coat finish or brushed stainless steel. The interior and shelves are stainless steel. The standard painted finish is silver but they can be supplied in a wide variety of RAL and Pantone colours. Insulation is efficient, ozone friendly polystyrene and the refrigerant is R134a (R290 is optional). Lighting is provided by full length low energy LED arrays. A night blind is available as an optional extra.

Features

Fan assisted evaporator for rapid cooling
Fan assisted condenser for efficient performance
Removable air filter for easy cleaning / maintenance
Automatic defrost and re-evaporation
Digital temperature controller
Low energy LED lighting for excellent product display
5 stainless steel flat shelves
Stainless steel interior

Options

Painted or stainless steel exterior
Choice of colours if painted
Night blind
Extra shelves

Cabinet Specifications

Model Number	OD450	OD600
<u>Physical Info</u>		
Height (mm)	1980	1980
Width (mm)	450	600
Depth (mm)	500	500
Nett Shelf Area (m ²)	0.53	0.75
Gross Volume Packed (ltr)	660	840
Gross Weight Packed (kg)	80	90
<u>Technical Info</u>		
Voltage (V)	220-240	220-240
Frequency (Hz)	50	50
Rated Power (W)	1150	1180
Refrigerant Type	R134a or R290	R134a or R290
Product Temperature Range (°C)	1-5	1-5
Insulation Type	Polystyrene, CFC Free	Polystyrene, CFC Free
Insulation Thickness	40	40
Approvals	CE	CE
